

WADI BIH RUN INSTRUCTIONS

A very warm welcome to the Wadi Bih Run which is one of the oldest sporting and social events in the region and provides a great day out / weekend away in the spectacular setting of the Musandam peninsular with the Hajar mountain's and the Gulf of Oman.

VEHICLE INSURANCE COVER in OMAN

Please make sure you have vehicle insurance cover for Oman. Many UAE vehicle insurance policies include cover for Oman, and others allow the additional inclusion upon request and payment.

VEHICLE STICKERS (for Teams only)

Please place the 2 Vehicles Stickers on the front and back windows (on the right-hand sides looking in) at the event location ONLY. This will avoid any issues with the local authorities.

PASSPORT IDENTIFICATION & BORDER CROSSING

You must take your original Passport for border crossing!

It is essential that EVERYBODY [- runners, drivers, supporters etc. -], including Omani residents (who are not Omani nationals) travelling to the event location, each has their original passport with them to present at the UAE-Omani border post in Dibba, Oman.

This is not a formal entry point but (following your online registration) your passport & visa details will have been forwarded to the police at the border post and they will cross check against this list to permit your entry.

NB: Keep the A4 paper border pass the police provide. You need to present it upon exit.

With the large number of participants expected at the run each day there could be delays and queues at the border post, hence allow adequate time to reach the event location (registration desk and starting point), and please remain patient and courteous with the police at the border post.

NB: NO LIQUOR! Entering or exiting the border. Violators will be put behind bars!

SUPPORTERS & NON RUNNERS

Family, friends and colleagues are very much welcome to come and support the runners, and join the festivities at the event village throughout the weekend.

AMENITIES & ACTIVITIES

Event village, camp site, gardens, beach, swimming pool, gym, bathrooms, wifi area.

VOLUNTEERS

We are always keen for supporters to assist with the event.

Please introduce yourself at the event Registration Desk or contact us in advance:
